```

```

Em7          A          D5          G
  All I have, has come from love
                    Em7          A
I am blessed to be someone loved
                        D [D riff 1]
Something good s got a hold of me

```

```

Em7          A  Asus
  You forget
      D          G
That I fall apart sometimes, I cave in
Em7          A  Asus A
  I remember it well
                        D
But You never bring it back again

```

```

Chorus:
D5          Bm5          F#m5
  So I sing, sing a song
      A5          D5
From this mountain top I m on
      Bm5          F#m5
See it clear, see it true
                        A5          Em7
There could never be another One like You

```

A  
Friends I have  
D5 G  
Will they be here when I m old and gray]  
Em7 A  
Troubles come  
D5  
Can I be sure they will fade away

Em7 A  
All I do  
D5 G  
Lord I want to be there next to You  
Em7 A  
Past the bullets and the bears  
D5  
You have picked me up and dragged me through
