

People Like Me
Audio Adrenaline

intro **C D G**

i could tell you a story of shame **C**
i could talk for hours on how we became **D G**
a flower that bloomed in one day **C**
the next day our glory faded away **D G**

devided by hostilities **C**
hung up on issues we disagree **D G**
a body thats been torn apart **C**
we re still a body with a healthy heart **D G**

people like me persons like you **Em C**
we want to be, closer to GOD, closer to free **D G B**
all you people like me **C D**

what do you think when you see? **G C**
continuous losers people like me **D G**
i hope you never believe, just for a moment your better than me **C G**

the truth is that we are the same **C**
all diffrent people but only one name **D G**
i hope that you will agree **C**
that all of you are people like me **D G**

{Chorus}

i cant stand by myself anymore **G D Em C**
i forgot what we re fighting for **G D Em C**
please come take my hand we will make our stand **Em C Em C**
feels so good to be, be so free **Em C D**
