

Pierced  
Audio Adrenaline

A E Bm D E      A E Bm D E  
          A                           E                           Bm                           D                           E  
Make me,            Take me,            Break me,            I am pierced  
A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced                    A  
          E                           Bm                    D  
Though I am wounded and unworthy,            Though I am selfish and untrue  
          A                           E                           Bm                           D                           A  
You are Holy      You're the healer            You forgave me    made me new, made me new

A E Bm D E  
          A                           E                           Bm                           D                           E  
Make me,            Take me,            Break me,            I am pierced  
A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced  
E            D            A            E                    D            A            E  
Oh this love how can it be            that my God would die for me  
          D            A            E                    D            Em7            A  
For my sin His wounds they bleed            Jesus You were pierced for me

Chorus out w/choir parroting    Make me Lord Jesus...Take me Lord Jesus...Break me  
Lord Jesus...ooooohhhh

A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced  
A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced  
A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced  
A                    E                    Bm                    D                    E  
Make me,            Take me,            Break me,            I am pierced
