

The Houseplant Song
Audio Adrenaline

E
Once I read a book
G
And this is what it said
A **E**
If your music has a beat
E
Then you re gonna wind up dead
E **G**
It doesn t really matter if it s Christian or not
A **E**
If it s syncopated rhythm then your soul is gonna rot
E **G**
And this book was called Ha! Your Gonna Burn
A **E**
And in the second chapter I went on to learn

E **G**
Take two houseplants
A **E**
And put them to the test
E **G**
Set them both in front of speakers
A **E**
And let the music do the rest
E **G**
The first one you play Mozart
A **E**
Or something lovely like that
E **G** **A** **E**
The second one you play that Petra Or that MegaDeth.
E
Doesn t really matter what kind of rock it is.

E **G**
So I took my two houseplants
A **E**
And I put them to the test
E **G**
Set them both in front of speakers
A **E**
To let the music do the rest
E **G**
I powered up my Pioneers
A **E**
To let the music roar
E **G**

But twenty minutes later

A E

Someone s knocking at my door

E

I opened up my door

G

And there my neighbor stood

A

He said, Man I d like to get some sleep

E

If you think I could

E G

I said, Man, can t you see here

A E

I ve got this moral dilemma that I got to get clear.

E

He said, What kind of moral dilemma

G

Could you have at this time of night

A

That could make me so angry

E -----

That I just want to fight!?

E G

So I pointed to the page in that open book

A

That had a picture of a potted plant

E

And I said, Go have a look.

And he read

E G

Take two houseplants

A E

And put them to the test

E G

Set them both in front of speakers

A E

And let the music do the rest

E G

The first one you play Mozart

A E

Or something lovely like that

E G A E

The second one you play that Petra Or that MegaDeth.

Doesn t really matter what kind of rock it is.

LONE RANGER

E

First of all he said,

G

That s Vagner that you re playing

A

I ve never heard of Petra

E

And isn t MegaDeth all dead.

E

G

A

And secondly, emphatically, He asked me,

E

E

G

What s the sense of hanging out with houseplants when, hey,

A

E

I live right across the fence.

(mute)

And I thought to myself

You know, that s a good point

E

G

So I took my two houseplants, and

A

E

I put them both back outside

E

G

And me and my neighbor

A

E

Well, we went out for a drive

E

G

We talked about all the things

A

E

That really matter most

E

G

Like life and love and happiness

A

E

And then the Holy Ghost

E

G

A

E

E

G

And now my two houseplants

A

E

They sit out in the sun

E

G

But as for my neighbor

A

E

Well our friendship has become

E

G

A meaningful relationship

A

E

That s headed straight to heaven

E

But as for now

G

A

We like to sit around and listen to Audio Adrenaline

E

Cranked to eleven!
