Count On Me - Audio Summer

Check

E B C#m A

E **B**
She said the situation never had to happen this way

C#m **A**
I said come on everything happens for a reason baby

E **B** **C#m**
She smiled and said you always know exactly how to keep me here

A
I said babe it s not me it s our love that you see skies so clear

E **B**
And so blue and so beautiful at the same time

C#m **A**
And when the clouds move in they disappear when you open up your eyes

E **B**
Cus you shine, you shine so bright, you paint your picture in the sky

C#m **A**
And every night I think of you and know that everything s alright

E **B**
Where ever you go I ll be right with you

C#m **A**
I ll be your shadow so I never have to miss you

E **B**
I know it s hard when were so close but you re so far away

C#m **A**
I ll keep you in my heart and baby that is where you ll stay

E **B**
Well it s 3 a.m and I can t sleep I can t stop thinking of you

C#m **A**
So I call you up and you ll answer somehow just like you always do

E **B**
I said babe, I just can t, I just can t keep you off my mind

C#m **A** **E**
And she says I know exactly how you feel and baby it s alright

B **C#m**
And now it s starting to get late and were both falling asleep

A

And the phone slips from your hand and gets lost in your bed sheets
E **B** **C#m**
And I keep talking and as if you re still listening and I fall asleep
A
I guess we ll finish this conversation when I see you in my dreams

E **B**
Where ever you go I ll be right with you
C#m **A**
I ll be your shadow so I never have to miss you
E **B**
I know it s hard when were so close but you re so far away
C#m **A**
I ll keep you in my heart and baby that is where you ll stay

I think the **B** is actually a **D#/E** (or 069800), I have no idea how you call it,
but
it sounds better if you play B.
