I ve made two variatons, one on the verse and one on the chorus,
of which I think Tom Morello is more likely to play it that way... anyway
enjoy the tab, I think it sounds pretty close...

Intro

```
e|----------------------------------------------------------------|
B|----------------------------------------------------------------|
G|----------------------------------------------------------------|
4x
D|----------------------------------------------------------------|
A|----------------------------------------------------------------|
D|-0h3-5-5-5------------------------------------------------------|
```

Verse

```
e|----------------------------------------------------------------|
B|----------------------------------------------------------------|
G|----------------------------------------------------------------|
D|-------3-5-5----------------------------------------------------|
A|-----------3-5--------------------------------------------------|
D|-3-5-5----------3-5-5-------------------------------------------|
```

    VARIATON:
    (I like this one better)
```
e|----------------------------------------------------------------|
B|----------------------------------------------------------------|
G|----------------------------------------------------------------|
D|----------------------------------------------------------------|
A|----------------------------------------------------------------|
D|-3-5-5--15-17-17--10-12--3-5-5---------------------------------|
```

Chorus

```
 [  play 8 times]   then [      ]   [variation on first part ]
e|-----------------------1-------|-------------------------------------|
B|-----------------------1-O-6---|-------------------------------------|
G|-----------------------3-R-5---|-------------------------------------|
D|-----------------------3---3---|-------------------------------------|
A|-5~----3-5-3h5-3---------------|-------------------------------------|
D|------------------------------|-12~----10-12-10h12-10---------------|
```
(note: use a whammy pedal @ 1 oct. harmonize and play it as a wah pedal)

(2nd note: at the 2nd part of the chorus, stroke the chord one time, and
let it fade with the whammy played as wah...)

Verse

Chorus

```
 [  play 8 times]    then [       ]
e|-----------------------1------------------------------------------------|
