G#m F#  
On a cobweb afternoon  
Eb E  
In a room full of emptiness  
G#m F#  
By a freeway I confess  
Eb E  
I was lost in the pages  
G#m F#  
Of a book full of death  
Eb E  
Reading how we ll die alone  
G#m F#  
And if we re good we ll lay to rest  
Eb E  
Anywhere we want to go

(chorus)

**G#m**            **B**            **F#**            **G#m**  
In your house I long to be

**G#m**            **B**            **F#**            **G#m**  
Room by room patiently

**G#m**    **E**                            **G#m**  
I ll wait for you there

**F#**            **G#m**                            **E**                            **G#m**  
Like a stone I ll wait for you there

**Eb**  
Alone

G#m  
On my deathbed  
F#  
I will pray  
Eb E  
To the gods and the angels

**G#m** **F#**  
Like a pagan to anyone  
**Eb** **E**  
Who will take me to heaven  
**G#m** **F#**  
To a place I recall  
**Eb** **E**  
I was there so long ago  
**G#m**  
The sky was bruised  
**F#**  
The wine was bled  
**Eb** **E**  
And there you led me on

(chorus)

**G#m** **B** **F#** **G#m**  
In your house I long to be  
**G#m** **B** **F#** **G#m**  
Room by room patiently  
**G#m** **E** **G#m**  
I ll wait for you there  
**F#** **G#m** **E** **G#m**  
Like a stone I ll wait for you there  
**Eb** **Eb**  
Alone,Alone.....

**E** **B**  
And on I read  
**Eb** **E**  
Until the day was done  
**Em** **C#m7**  
And I sat in regret  
**Eb** **G#m**  
Of all the things I ve done  
**E** **B**  
For all that I ve blessed  
**Eb** **E**  
And all that I ve wronged  
**Em** **C#m7**  
In dreams until my death  
**Eb**  
I will wander on

Repeat chorus
