Capo 1

C
You ve been let down, it s true
 F
Your pain is so easy to see
 G
You re haunted by your history
 F **C**
And it feels like you ve got no escape

C
Your life left you high and dry
 F
You used to be sure of yourself
 G
But then your whole world went to hell
 F **C**
And tomorrow looks just like today

F
So you lie on your bed,
 G **C**
Won t let the morning come in
 F
And you hide in your room,
 G **C**
Feeling that fear and it s killing you
 C **F**
Don t you know that it s killing me too?
 G **C**
Cause your heartbreak is breaking you

(Same chords as the first verse)
I miss the light in your eyes
The home that I d found in your arms
But now you don t know who you are
But I won t give up on you

But you lie on your bed,
Won t let the morning come in
And you hide in your room,
Feeling that fear and it s killing you
Don t you know that it s killing me too?
Cause your heartbreak is breaking you
