

By This Fire
Audrey Assad

Capo On first

D **G**
Wrench from me desire
D **G**
Lord ignite my fire
 G **Bm** **A**
Until I burn, until I give it all up for You
 G **Bm** **A**
Until I do what Youâ€™ve been asking me to
D **G**
Cause You deserve much more
D **G**
Than what Iâ€™m living for
 G **Bm** **A**
So give me passion that is raging and wild
 G **Bm** **A**
Untouched by pride with joy alight and purified

[CHOURS]

G **Bm** **A**
Left behind by this fire
D **G**
Are ashes lifeless and grey
G **Bm** **A**
But underneath lies desire
 D **G**
That You have placed there to bloom through the pain
 Bm **A** **G**
To bring honor and praise to Your name

D **G**
You deserve no less
D **G**
Than my heartâ€™s brokenness
 G **Bm** **A**
Until I burn like a star in the sky
 G **Bm** **A**
To give you Praise, life Your name, to glorify

[CHORUS]

Bm **A** **G** **D** **G**
You have told me I have no shame.
 Bm **A** **G** **D** **G** **A**
So wrench me, mold me until I glorify Your name
