Lovers and Friends " Audy Kimura

[Intro]

**D Bm7 G A D**

[Verse 1]

**D F#m7 Bm7 G**  
Isn t it sometimes strange, how friends will turn into lovers  
**D Bm7 G A**  
And overnight you find you ve changed, from one into the other  
**F#m7 Bm7 G E**  
A friend will always stay with you and talk a problem through  
**G D G A D**  
But a lover is the only one who ll spend the night with you

[Chorus]

**G A D Bm7 G**  
There are lovers, there are friends and its hard to tell  
**A F#m7 Bm7**  
Where one begins and the other ends  
**G A F#m7 Bm7**  
There are those, the ones like you  
**G A D**  
Who have somehow found the way to be the two

[Verse 2]

**D F#m7 Bm7 G**  
Through the years you ll find, that lovers will come and go  
**D Bm7 G A**  
But a friend will always stay with you, that I think you know  
**F#m7 Bm7 G E**  
A lover can be your own, and be your one and only  
**G D G A D**  
But a friend will always stay with you when a lover leaves you lonely

[Chorus]

**G A D Bm7 G**  
There are lovers, there are friends and its hard to tell  
**A F#m7 Bm7**

Where one begins and the other ends

**G      A      F#m7      Bm7**

There are those, the ones like you

**G                      A                      D**

Who have somehow found the way to be the two

[Bridge]

**F#m7              Bm7                      G   D              A**

And all of my life, I ve been waiting for you

**F#m7              Bm7                      G                      A**

All of my life, I ve been waiting -- for you

[Verse 3]

**D                      F#m7              Bm7                      G**

It s hard to live you life, without one or the other

**D                      Bm7                      G                      A**

To find someone who ll be your friend, and still become your lover

**F#m7                      Bm7                      G                      E**

But now I ll never have to make a choice between the two

**G                      D                      G      A              D**

When all my life I ve found a friend and lover both in you.

[Chorus]

**G              A              D              Bm7              G**

There are lovers, there are friends and its hard to tell

**A                      F#m7              Bm7**

Where one begins and the other ends

**G      A      F#m7      Bm7**

There are those, the ones like you

**G                      A                      D**

Who have somehow found the way to be the two
