Kamikaze rain...

I m sure the pills keep pouring in,
C C/B A7 C
Like smoke that falls, it s caving into you...

So put me on a plane, and fly me to anywhere...

C/B C C/B A7
Put me on a plane, and fly me to anywhere...

Put me on a plane, and fly me to anywhere... with you

One night... when you woke up, you bled... till you spoke up,
Am7 C G
Oh this ain t pretty dear,

With clocks, watch the time go... till spring, when the sun can finally be
free...

C C/B A7
And I m sure you ve lost that weight again,

C C/B A7
I m sure the pills keep pouring in,
C C/B A7 C
We ll scream at night, to make it go away...

C C/B A7
So put me on a plane, and fly me to anywhere...

C/B C C/B A7
Put me on a plane and fly me to anywhere...

C/B C C/B A7 C
Just put me on a plane and fly me to anywhere... but you...

After this chorus he plays C C/B Bb (alot of questionmarks, i know)..
After that there s another chorus, and then the outro thing again. and that s
it.
Great song with great lyrics.
