Chorus #3

Lyrics (not 100% accurate)

Let go my hands  
that s the way things go  
but I don t know  
I just don t know  
Make up some simple lies  
And compromise how i live

Cause either way  
I ll break your heart someday  
And leaving you s the last thing on my mind  
so when i go baby kiss me slow  
so i don t forget to make my way back home  
when it s cold

Sail away  
on a wayward ship  
Candy lips in my grips  
Cheap perfume  
oh it never lies  
can t supply and it could advise

Cause either way  
i ll break your heart someday  
and leaving you s the last thing on my mind (uh huh) yeah  
so when i go baby kiss me slow  
so i don t forget to make my way back home  
when it s cold

I ll miss you in the winter  
your friends say i should listen  
Can t you see i ve loved you all along  
if america dont like me  
you can say i finally  
became a man who only knocks on the door  
should anyone, should anyone

Cause either way  
break your heart someday  
and leaving you s the last thing on my mind  
so when i go baby kiss me slow  
so i don t forget to make my way back home  
when it s cold

oh when it s cold
