Augustana - Either Way, I ll Break Your Heart Someday

**A** **D**  
All I have about the way things go

**A**  
I don t know, I just don t know

**A** **D**  
Make up some simple lies and compromise

**A**  
How I live

**D** **A** **F#m** **D**  
Cause either way I ll break your heart someday

**D** **A** **E**  
But leaving you is the last thing on my mind

**D** **A** **F#m** **D**  
So when I go baby kiss real slow

**D** **A** **E**  
So I don t forget to make my way back home

**A**  
When I go

**A** **D**  
Sail away on a wayward ship

**A**  
With candy lips in my grip

**A** **D**  
Cheap perfume, Oh it never lies

**A**  
And I can t supply any good alibis

(Chorus)

**D** **A**  
Well I miss you in the winter

**D** **A**  
Your friends say I should listen

**D** **A** **E**  
Can t you see I ve loved you all along

**D** **A**  
Well if America don t like me

**D** **A**  
You can say I finally

**D** **A**  
Became a man who only likes the gun

**E**  
Shoot anyone, shoot anyone...

(Chorus)
