Am Cadd9
I swear I never watched you sleeping,
 Am Cadd9
well honey, I m an honest man,
 Am Cadd9 Em
I guess it always gets me drinking, she makes me sad...

Em G Am Cadd9 Em
sweet, sweet and cold, clean up the mess and sleep the day away,
 G Am Cadd9
when you call, I might be here, I might be gone...
 Em G Am Cadd9
but here at the sound of the bells you cry, you ve lost your mind
 Em G Am Cadd9
but dear, don t be sad, it s just a dream you dreamt you had...
 Am Cadd9
But I ain t seen you look so good...

so honey,

Am Cadd9 Am Cadd9
I guess it always gets me drinking, well holly, she makes me sad...
Am Cadd9 Em
forgive me if I look so lonely, it s not that bad...
Am Cadd9 Am
sometimes it s just the sound of the TV that gets me always
 Cadd9
wondering why,
 Em G Am Cadd9
sometimes it s just a conversation, that makes me cry...

Same as 1st verse.

hey, well I know, California might be warm this time of year,
I should go, turn the engine and the radio...
it s cold, always cold, this hotel room won t let me sleep,
time, it s alright, I guess I ll just stay up all night

Chorus
