G#   Fm
Climb up on a mountain, just to watch it come down
C#   D#
But sooner or later babe, you re gonna need me around
G#   Fm
 Cause you re getting older, there ain t no stopping that
C#   D#
It s a backstabbing world honesty, just lean your head back

C#
The fool in me
D#   G#   Fm
It s like a dream, you see
                        C#
But if the world is right
                    D#
I ll drive all night
                        G#
And meet you there someday

                    Fm
Six in the morning, never felt so sweet
C#   D#
Just put on Lucinda baby, and dance with me
G#
I know I m hard to count on
Fm
Forget half what I m told
C#
You probably only know my voice from
D#
a goddam microphone

```
C#
The fool in me
D#              G#         Fm
It s like a dream, you see
                          C#
But if the world is right
                 D#
I ll drive all night
                        G#
And meet you there someday

C#            D#
It s a waste
            G#       Fm
A teenage taste of me
              C#
But if Daddy cries
              D#
Just say goodnight
        G#
And I ll come
        C#       D#
If I could change
         G#          Fm
I d keep away the rain
                   C#          D#
And the sun would shine every night
        F    G     G#       C
And I ll cuuu--uuuuu-uuuuuu-ummmmmmm
 C#     D#                  Fm    Gm    G#    C     C#     D#-
          meet you there someda----ay-----ay

 If daddy cries

C#
The fool in me
D#               G#       Fm
It s like a dream, you see
                       C#
```

```
But if the world is right
                 D#
I ll drive all night
                       Fm    Gm   G#   C   C#   D#
And meet you there someday
                       Fm    Gm   G#   C   C#   D#
And meet you there someday
                       Fm    Gm   G#   C   C#   D#
And meet you there someday-ay-ay-ayay!
                     G#
And meet you there someday
```
