On The Other Side Augustana

On The Other Side

Augustana

Tabbed by: Luke Stirton

CAPO 2

Verse 1:

Put your hand in mine.

Can you read the signs?

Em

D

I ll never lose you; I couldn t choose to if I tried.

Verse 2:

Put your faith in me.

What will be will be.

Some things I know, and I know that you were meant for me.

Chorus:

I don t know where the ocean meets the sky;

G I don t know why the world keeps spinning by,

Em

Don t know why the hours move so slow.

Babe, when I m with you, I don t wanna know.

I wanna feel your feet lifting off the ground,

Wanna feel you love me at the speed of sound.

Babe, it could end tonight, know it would be alright,

G (to verse)

Cause I m gonna love you, somewhere on the other side.

(to bridge) Em D â€" G

Verse 3:

It s written on your face,

Just like a twist of fate. I can t erase it; some things you know we can t escape. Chorus: I don t know where the ocean meets the sky; I don t know why the world keeps spinning by, Em Don t know why the hours move so slow. Babe, when I m with you, I don t wanna know. I wanna feel your feet lifting off the ground, Wanna feel you love me at the speed of sound. Babe, it could end tonight, know it would be alright, **G** (to verse) Cause I m gonna love you, somewhere on the other side. (to bridge) Em D â€" G Bridge: And I will be there for you, C Be there to shelter you. Anywhere you go, know I will be. Em And I ${\tt m}$ gonna be the one, Be like the rising sun, G Never hurt you. Chorus 2: I don t know why the stars fall from the sky; I don t know why the heavens open wide, Don t know where the winds of change will blow, But when I m with you, I don t need to know.

I wanna feel your feet lifting off the ground,

Wanna feel you love me at the speed of sound.

n

D

Babe, it could end tonight, know it would be alright,

Cause I m gonna love you, somewhere on the other side.
