

Twenty Years
Augustana

Ok so I saw that no one had tabbed this song so I figured I would put my own version on

These are the chords that I figured out on the piano and they sound like they fit

I only tabbed out the first verse and chorus because everything else is played the same way.

*I would like to say again that these are the chords that I use on piano, I don't know

they're the same as guitar.*

Verse:

Cm **Bb** **Eb**
Well I've been running from something

Cm **Bb** **Eb**
Twenty years in my car

Cm **Bb** **Eb** **Ab**
Down a road that's leading me nowhere

Cm **Bb** **Eb**
Yeah we drive through the farmland

Cm **Bb** **Eb**
No one knows where we're from

Cm **Bb** **Eb** **Ab**
Could I kiss you and make you a queen?

Eb
Or something in between

Chorus:

Cm **Ab** **Eb**
Do you want to see

Cm **Ab** **Eb** **Bb**
The place where I am free?

Cm **Ab** **Eb**
Cos in my mind I need it

Cm **Ab** **Eb**
But you're nowhere near to me

Move to new york city
Take your woman by the hand
Leave her there with your things on the doorstep
And there s no way around it
Could this be our last dance?
So fall asleep with the tv darling
I ll be back again

Do you want to see
The place where I was free?
Cos in my mind I ve been there
And there s no one here but me

In the morning it ll find you
Let the light shine away
Down a road that s leading me nowhere
And there s no way around it
Could this be our last dance?
Just fall asleep with the tv darling
I ll be back again
I ll be back again
