

## Apology

Austin Mahone

**G** **C**  
I m trying to fit this letter in a bottle  
**Em** **C**  
I only hope the message can sail to you safe  
**G** **C**  
Someone said turn to The Bible  
**Em**  
But I don t know what God s gonna say  
**C**  
Cause I broke his angel s heart  
**G**  
So it s kinda hard to pray tonight  
**C**  
Cause you re not here  
**Em**  
You say you don t want nothing to do with me  
**C**  
My biggest fear  
**G**  
Is you ll never hear my apology  
**C**  
Woah-ooh, my apology  
**Em**  
Woah-ooh, my apology  
**C**  
Woah-ooh, my apology  
Woah-oo-ooh  
**G** **C**  
I m sorry I couldn t be everything you wanted me to be  
Oh, yeah  
**Em** **C**  
And if this is how you remember our love, oh, yeah  
**G** **C**  
Then, girl, let this be the most beautiful letter  
That you ll ever read in your life  
**Em** **C**  
I m leaving my heart on this page  
**G**  
Cause I should be there with you tonight  
**C**  
Cause you re not here  
**Em**

You say you don t want nothing to do with me

**C**

My biggest fear

Is you ll never hear my

**G**

I only want you to be

Sitting here next to me

**C**

I ll hold you close, look in your eyes

Promise, girl, I ll make it right

**Em**

I only need a piece of you

**C**

That still wants to be in my life

Forever

**G**

**C**

Cause you re not here

**Em**

You say you don t want nothing to do with me

**C**

My biggest fear

**G**

Is you ll never hear my apology

**G**

**C**

Cause you re not here

**Em**

You say you don t want nothing to do with me

**C**

My biggest fear

**G**

Is you ll never hear my apology
