

Apology

Austin Mahone

G I m trying to fit this letter in a bottle **C**
Em **C**
I only hope the message can sail to you safe
G **C**
Someone said turn to The Bible **Em**
But I don t know what God s gonna say
C
Cause I broke his angel s heart **G**
So it s kinda hard to pray tonight
C
Cause you re not here **Em**
You say you don t want nothing to do with me
C
My biggest fear **G**
Is you ll never hear my apology
C
Woah-oooh, my apology
Em
Woah-oooh, my apology
C
Woah-oooh, my apology
Woah-oo-oooh
G **C**
I m sorry I couldn t be everything you wanted me to be
Oh, yeah
Em **C**
And if this is how you remember our love, oh, yeah
G **C**
Then, girl, let this be the most beautiful letter
That you ll ever read in your life
Em **C**
I m leaving my heart on this page **G**
Cause I should be there with you tonight
C
Cause you re not here **Em**

You say you don't want nothing to do with me

C

My biggest fear

Is you'll never hear my

G

I only want you to be

Sitting here next to me

C

I'll hold you close, look in your eyes

Promise, girl, I'll make it right

Em

I only need a piece of you

C

That still wants to be in my life

Forever

G

C

Cause you're not here

Em

You say you don't want nothing to do with me

C

My biggest fear

G

Is you'll never hear my apology

G

Cause you're not here

You say you don't want nothing to do with me

C

My biggest fear
