F Dm C F Dm C
Cause I can t wait around for you, you, you
F Dm C F Dm C
Cause I got too many things to prove, ooh ooh
F Dm C
I think it s time that you choose, what this really means to you
F Dm C
I wish I could read your mind, just to predict your next move
F Dm C F Dm C
Yeah cause I can t wait around for you, you, you

F Dm C
Cause the good ones will go, if you wait too long
