

**Know Me Better**  
**Austin P. McKenzie**

[Intro]

**D Bm G A**

[Verse 1]

**D**

Heard you were in town

**Bm**

so I knew you'd be at the concert

**G**

Saw you at the show

**A**

I wore my jeans and a t-shirt

**D**

Saw you in the crowd

**Bm**

under the midnight blue lighting

**G**

It's been a couple years

**A**

but your voice was inviting

[Pre-Chorus]

**D**

**Bm**

Let's get lost and get out of this town

**G**

**A**

And you said: I want to, I want to

**D**

**Bm**

drive till we break down

**G**

**A**

**D**

And I said: I want to, I want to

[Chorus]

**Bm**

**G**

I want you to know me better

**A**

We're alone so let's be together

**D**

**Bm**

tonight, tonight

**G**

**A**

tonight, I want you to know me better

**D**

**Bm**

tonight

**G**

**A**

tonight

[Verse 2]

**D**

So we slipped away

**Bm**

and drove out to the desert

**G**

so when it started to rain

**A**

I laughed as you took off your sweatshirt

**D**

and you ran

**Bm**

in the storm

**G**

our age

**A**

will keep us warm

**D**

just for tonight

**Bm**

all we have is each other

**G**

been dreaming of you

**A**

in the arms of another

[Pre-Chorus]

**D**

**Bm**

In this wicked little town

**G**

**A**

I want to, I want to

**D**

**Bm**

get lost so I can't be found

**G**

**A**

I want, I want to

[Chorus]

**Bm**

**G**

I want you to know me better

**A**

We're alone so let's be together

**D**

**Bm**

tonight, tonight

**G**

**A**

tonight, I want you to know me better

**D**

**Bm**

tonight

**G**

**A**

tonight

[Verse 3]

**D**

Heard I was in town

**Bm**

you knew I'd be at the concert

**G**

**A**

I wore my jeans and a t-shirt

**D**

Saw you in the crowd

**Bm**

with a guy in blue lighting

**G**

It s been a couple years

**A**

so i didn t find it that stricking

[Outro]

**Bm**

**G**

I want to be known better

**A**

when will it all get better?

**D**

**Bm**

tonight, tonight

**G**

**A**

tonight, I want to feel better

**D**

**Bm**

tonight

**G**

**A**

tonight

**D**

tonight
