All alone

C#m

No way home

A

Bloody nose

B

From my snow

E

All my friends

C#m

Left me for dead

B

I find myself here again here again

[Chorus]

E **C#m**
Why can t I get high
A
Without wanting to die
B
Without wanting to die
E **C#m**
Why can t I get high
A
Without wanting to die
B
Without wanting to die

(End distortion)

[Verse 2]

E **C#m** **A**
Told myself I d find a limit
B
Honest-to-God I d be done with my sinning
E **C#m**
2 pills before I forget it
A **B**
Walls closing in and the ceiling is spinning

E
Brain going manic
C#m
I start to panic
A **B**
This night s not going away that I planned it

E
Oxygen s thinning
C#m
Tires are skidding
A **B**
This is all my fault man who am I kidding

(Begin distortion)

E
Close my eyes
C#m
Say good bye
A
Let me be
B
Let me die

E

Mom and dad

C#m

Don't be sad

A

Really it's not so bad not so bad

[Chorus]

E **C#m**

Why can't I get high

A

Without wanting to die

B

Without wanting to die

E **C#m**

Why can't I get high

A

Without wanting to die

B

Without wanting to die

[Outro]

E

I've been lying

C#m

And I'm dying

A

And my mother

B

She is crying

E

No I'm nothing

C#m

No I'm nothing

A

No I'm nothing

B

No I'm not

E

I'm nothing at all
