

Courage

Authority Zero

I picked this song because its a kickass song and know one realizes it, also cause ther

no other tabs on this song.

im not completely sure if it is right, but whatever it worked for me.

Lyrics

```

C                               G
So you say you re on your own
                               DD
And nothing s going right
C                               G
Fist to fist and heart to heart
                               D
You get back up and fight
GD
..And now...
C                               G
Your torn like a flag on a battleground

```

D GD

Stepped on and beaten down

C

But somehow, yeah somehow

G

D

You still manage, yeah you manage to survive

G D

You manage to survive.

[Chorus:]

C

G

It s your courage

D

Take em on, take em out

GD

Take a stand, take a bow

C

G

It s your courage

D

Take em on, take em out

GD

Take a stand, take a bow

So...

C

G

So now you re thinking it s the end

D GD

You re stuck in your self doubt

C

G

And if a picture says 1000 words

D GD

Take em till your words run out

(this part is palm Muted with power chords)

C.....

Well it s a new chapter in your life

.....**G**.....

In your broken soul, your broken bones

.....**D**.....

Your broken heart, your broken bonds

...GD.....

But you still fight to make it right

.....**C**.....

In your broken soul, your broken bones

.....**G**.....

Your broken heart, your broken bonds

.....**D**.....

But you still fight to make it right

.....GD.....

to make it right!

[Chorus:]

(this part is also palm muted with power chords)

C.....**G**...

It s last call, last chance

.....**D**

Line em up and let s make it last

.....**GD**

Why wait when the days go fast

.....

Make the call don t let it pass

[x4]

[Chorus:]

Key;

. = Palm Mute

m = Mute
