D.... G.... A.... F#m.. Gm

**G**

Put your swords away

**A**

I m already down

**G**

The higher we both climb

**D**

The further we fall

**G**

Now we re under

**A**

looking up into the floor

**G**

And burn each other though we re

**D**

dying for more

**Bm**

We re stuck on this dysfunction

**A**

We love it to our death

**Bm**

We celebrate destruction

**F#m**

by lighting up this bed

Chorus

**D**

You can take your love away

**G**

But don t you ever leave me

**A**

alone

**F#m**

Burn the ghosts we ve

**G**

carried home

**D**

Come on, touch me

**G**

Show me you re imperfect,

**A**

too

**F#m**

These broken lights

**Gm**

They shine on us tonight

**G**

We don t talk much

**A**

When there s so much to say

**G**

We don t listen,

**D**

we try anyway

**G**

My stomach feels sick,

**A**

bitter, and open

**G**

Reveries of helplessness

**D**

Have left me all but hopin

**Bm**

We strip each other s beauty

**A**

We push it to the end

**Bm**

We face each other smiling

**F#m**

And leave it all unsaid

Repeat Chorus Chords!!

**F#m**

**A**

oo oo      oooooo

**G**

We kiss till

**A**

we bleed

**G**

We fight til were

**D**

free

**G**

We cry till

**A**

we see

**G**

We re healing at

**Bm**

three

**G**

We dance inside this

**A**

**D**

tragedy

**G**

We dance inside this

**A**

**Bm**

tragedy
