

Back To Life
Automatic Loveletter

Em **G** **D** **Am**

If I can t find you then you ll never know
Em **G** **D** **Am**

Don t give up on me now, baby, don t close your eyes
D **Am** **Em**
I won t let you down when we come back to life

Em **G** **D** **Am** **Em** **G**
Twinkle of the stars, the pictures live forever on the dashboard

Am I here alone? I m taking out the breaks that you give

See that I won t stop til you have gotten through to me
