

**Click Your Heels**  
**Automatic Loveletter**

So I wanted to tab this again as I believe there are a few other chords played and some notes that were missed out in the other tab. I've also changed some of the lyrics to what I think they really are.

Intro

C with hammer on, on the open D string.

```
e|-----|
B|----1-1----1-----|
G|-----|
D|----2-0h2--2-----|
A|----3-3----3-----|
E|-----|
```

This is played at intro and Chorus. The strumming is easy to work out.

**C D G**  
Here I lay in my bed

**C D G**  
Wondering how you are and where you've been.

**C D G Dadd9 Em**  
I've got scratches on my hand from the cat begging for attention

**C D G**  
Your memory on my lips from the other night when you kissed them

**C G D\*** (When playing the D: Hammer on, on the Open e. See at bottom of page.)

Politely subtle and crass.

Broken heart mending a castoff pirate and gypsy with class

**C G D** (Strum Once)

I wasn't prepared for this.

To a ten second count down on New Years kiss.

**G D C**  
And when I lay down tonight.

I've been up and down the coast.

Left, right, north, east, west, back home south,

And I lay down tonight.

In North Carolina, Chicago, New York, and Hollywood and I.

I found nobody other than you.

**C D G**

So time is only a noose.

**C D G**

With everyday that goes by I m turning black and blue.

**C D G Dadd9 Em**

Memories feeding my heart.

**C D**

So much, but it only starves,

**C G D**

Under the street lights and boulevards.

Like a candle that s light in the dark.

I will find.

And I will find you.

CHORUS

**C D G**

So here I lay in my bed.

**C D G**

Some new hotel room, but it s mine for 110.

**C D G Dadd9 Em**

Before I lay down I m coming home tonight.

**C D**

Cause I m gonna get you back.

Chorus Then Changes, so play this:

**A, E, D**

END ON A

**D\***

```

e|----2-0h2--2--|
B|----3-3----3--|
G|----1-1----1--|
D|-----|
A|-----|
E|-----|

```

Hope this is an alright tab, this is what I play and it sounds about the same.
