

**Dont Let Me Down**  
**Automatic Loveletter**

These chords are 100% accurate.

Here is a link to the live acoustic version where these exact chords are played by A.L.L. W

Its got a really good view and you can see exactly the strumming pattern EXACTLY the way they play it.

For the chorus, Dsus4 is just D but with the 3rd fret on the top e

**Dsus4:**

**E** 3  
**B** 3  
**G** 2  
**D** 0  
**A** 0  
e x (don t play)

The bridge is tricky because aside from the bottom notes, I can t really tell if Tommy

barring chords or playing them open...and either way could sound okay i guess...
