**Let It Ride**
**Automatic Loveletter**

Intro:

**C#m.. A.. E.. B..**
**C#m.. A.. E.. B..**

Verse 1

**C#m**
Lay on the floor
**A**
Breathe it in deep
**E**
Don t speak, don t say a word
**B**
Just savoring
**C#m**
You re all that I have
**A**
And all to hold on to
**E**
You can t lead me on
**B**
Come on, come on

**C#m**
Can t you feel it
**A**
And start chasing dreams
**E**
And don t let this
**B**
go

Chorus

And take me
**C#m**                     **A**                        **E**
away, let s get out of this town
         **B**
Run, Baby
**C#m**              **A**
run, We re unstoppable
**E**
now, on top of the

**B**
world, Sing it out
**C#m**                    **A**
loud, And mean it, keep believing
**E**
We ve got the rest of our
**B**
lives, So let it
**C#m**        **A**
ride....  ride, let it
**E**
ride, the time of our
**B**
lives, Let it

Repeat Intro as Interlude:

**C#m.. A.. E.. B..**
RIDE
**C#m.. A.. E.. B..**

Verse 2

**C#m**
Running away
**A**
Don t tell anyone
**E**
We ll be the talk of the town
**B**
We ll be the envy of
**C#m**
every one dances to mix
**A**
tapes and car tops, so
**E**
don t, don t, don t let this
**B**
go

Repeat Chorus

Repeat Intro as Interlude:

**C#m.. A.. E.. B..**
RIDE
**C#m.. A.. E.. B..**

```
Bridge
           C#m                         A
Coming on strong and never before
                    E                         B
I swear if you leave this end of the world
              C#m                    A
So don t walk away, just take my hand
                   E                         B
I m calling you out, Now I ve shown you my heart, So take it

C [x3555x]
away

D [x5777x]
away,

E [x7999x]
away

[these last three chords sound better as a scale of the B chord formation with
the root
the 3rd fret for C, the root on the 5th fret for D, and the root on the 7th fret
for E.
don t know the official technical names of these chords, please comment if you
know!]
