Automatic Loveletter

Put the transport on F (first locker)..Then continue to play the ordinary notes that i write here...

My first submitted tab =) i hope it was useful!

Asus C#m

Everyone loves you

Bm

Can t do anything wrong

F#

They laugh when you laugh

Concerned when you...

Asus C#m

cry I m wrong, your right

Bm

Complete opposites

F#

In this blood related child

Asus C#m

Look down on me

Don t give me sympathy

Bm F#

Adaversity amplifies your qualities

Asus C#m Bm

There s simply nothing wrong with you

You re wonderful

F#

I wish that I was too

Chorus:

D A E

I am obviously not co-operating

D A E

I am purposely not oh wanting to

D

Cause the view from below

A E

Gives me no hope ya know

D A E

Ya the view below gives me no hope ya know

The same notes as at first part: Asus/C#m/Bm/F#)

Never been alone one day in your life

If the tables were to turn

Transition from black to white

Well I am insecure and if you don t know this by now

I m telling you the only way that I know how

Your love I love to hate myself

Not surprising how ive made my own hell
You keep promises I break them
You try and I fake it
Your selfless that makes me selfish
Ya

(chorus)

I am obviously not co-operating
I am purposely not oh wanting to
Cause the view from below
Gives me no hope ya know
Ya the view from below
Gives me no hope ya know

(silence...Fa#m)

A

I m jealous oh I

E A G

I envy everything about you

Bm G

I made up a lie I told

Bm A

Everyone I didn t need you

G F#

After all

I am obviously not co-operating
I am purposely not oh wanting to
Cause the view from below
Gives me no hope ya know

Mmmmm

A

I love you
