Verse 1:

**Bbm**

Through the longest

**C#**

night by this candlelight

**G#**

We stand to cut

**F#**

the dark in two

**Bbm**

And the concrete rain

**C#**

shattered window panes

**G#**

But no it never

**F#**

shattered you

**G#**

As long as there is

blood inside my veins

Chorus:

**Bbm**

I will sing this out  
Till the sun beats

**F#**

down And we rise

**G#**

to meet the sky

**Bbm**

On that day I swear  
I will see you there

**F#**

I will heal these

**G#**

wounded eyes  
These wounded eyes!

Post Chorus:

**Bbm G# Bbm G# F# G#**

Verse 2:

**Bbm**

And the 12th day showed

**C#**

that the sun still rose

**G#**

**F#**

As we tried to find our way

**Bbm**

Through the steel and

**C#**

smoke though it smouldered

**G#**

We were cold and

**F#**

blanketed by grey

**G#**

All we had was  
everything we gave

(Repeat Chorus)
