Intro: C-- x6

Verse 1:

**F**            **C**            **F**  
I was waiting Watching  
**C**                            **F**  
every single move  
                          **C**                            **G**  
On the wire I cling to  
**F**            **C**            **F**  
And I feel it Like a  
**C**                            **F**  
cold and empty room  
                          **C**                            **G**  
There was nothing left to lose

Chorus 1:

**F**                            **C**  
I know I know your waiting  
                          **G**  
I ll see you again if its  
                          **Dm**                            **F**  
the last thing I can do  
                          **C**  
I know I know its  
                          **G**  
all that s true

Verse 2:

**F**            **C**  
I was wasted  
**F**            **C**            **F**  
Without everything I knew  
          **C**                    **G**  
I was lost without a clue

(Repeat Chorus 1)

Interlude: Am--F-- x2

Bridge:

**Dm**  
And I wondered  
                          **C**  
So far and he brought  
                          **G**  
me back to you  
          **Dm**  
And I screamed at the  
                          **C**  
sky and it turned  
                          **G**  
From black to blue

Chorus 2:

**F**            **C**  
I know I know your waiting  
          **G**  
I ll see you again if its  
          **Dm**                    **F**  
the last thing I can do  
          **C**  
I know I know its  
                          **G**  
all that s true  
          **Dm**  
That s true  
          **F**  
That s true  
          **C**  
That s true  
          **G**  
That s true  
          **Dm**  
That s true  
          **F**  
That s true

C G
