

Freaking me Out

Ava Max

[Intro] C#m B A E
C#m B A E

C#m B A E
Empty mansion, in the rain just off the coast
C#m B A E
Is the vibe now, that I feel inside my soul
C#m B A E
Like a spider, there s a web that you have wove
C#m B A E
There s a heart now, where there used to be a ghost
B E B
And ooh, yeah it s making me uneasy
A
Now I hear sounds in the hallway
A E
Rocking chairs are moving on their own

I m falling for you
C#m B A
So much so that it s freaking me out
A E
So much so that it s freaking me out
C#m B
So much so that it s freaking me

(C#m B A E)

C#m B A E
There s a silence, in the woods after it snows
C#m B A E
That s the vibe now, of the piece inside my soul
C#m B A E
Like a spider, there s a web that you have wove
C#m B A E
There s a heart now, where there used to be a ghost
B E B
And ooh, yeah it s making me uneasy
A
Now I hear sounds in the hallway
A E
Rocking chairs are moving on their own

I m falling for you
C#m B A
So much so that it s freaking me out
A A E

So much so that it s freaking me out

C#m **B**

So much so that it s freaking me

A

Sounds in the hallway

A **A** **E**

Rocking chairs are moving on their own

I m falling for you

C#m **B** **A**

So much so that it s freaking me out

A **A** **E**

So much so that it s freaking me out

C#m **B**

So much so that it s freaking me

C#m **B** **A** **E**

Do, doo, do, doo, do, doo, do, doo, do, doo, do, doo, doo, do

C#m **B** **A** **E**

Do, do, doo, do, doo

C#m **B** **A** **E**

Do, doo, do, doo, do, doo, do, doo, do, doo, do, doo, doo, do

C#m **B**

Do, do, doo, do, doo

A **E**

Scary but it s beautiful

A

Sounds in the hallway

E

Rocking chairs are moving on their own

I m falling for you

C#m **B** **A**

So much so that it s freaking me out

E

So much so that it s freaking me out

C#m **B**

So much so that it s freaking me

A

Sounds in the hallway

A **A** **E**

Rocking chairs are moving on their own

I m falling for you

C#m **B** **A**

So much so that it s freaking me out

A **A** **E**

So much so that it s freaking me out

C#m **B**

So much so that it s freaking me
