 What difference does it really make when your heads at the foot of
E G# F#
 the bed? Close the lid tight remain out of sight easy escape numb the
A C# B E G#
 senses. Everyone around is such an expert on who is who and what they
F# A C# B E G#
 do. i could give a fuck about small talk discussions. in fact id
F#
 rather be alone.

and it just continues on like that, basically its just E-G#-F#-A-C#-B
just listen to the song and youll get it
