

**You Were There  
Avalon**

**Cm** **Ab** **Eb**  
I wonder how it must have felt

**Cm** **Ab** **Bbsus** **Bb**  
When David stood to face Goliath on a hill

**Cm** **F/A** **Bb** **Eb/G**  
I imagine that he shook with all his might

**Fm** **Bbsus**  
Until You took his hand, and held on tight

**Ab** **Eb**  
Cause You were there, You were there

**Fm** **Eb**  
In the midst of danger s snare

**Ab** **Eb** **Bbsus** **Bb**  
You were there, You were there always

**Ab** **Eb**  
You were there when the hardest fight

**G/B** **G** **Cm**  
Seemed so out of reach

**Cm/Bb** **F/A** **Ab**  
Oh, You were there, You were always there

**Bbsus** **Eb**  
You were always there **Ab** **Eb** **Ab** **Bbsus**

**Cm** **Ab** **Eb**  
So there he stood upon that hill

**Cm** **Ab** **Bbsus** **Bb**  
Abraham with knife in hand was poised to kill

**Cm** **F/A** **Bb** **Bb/G** **Eb/G**  
But God in all his sovereignty had bigger plans

**Fm** **Bbsus** **Bb**  
And just in time, You brought a lamb

**Ab**  
Cause You were there,

**Eb**  
You were there

**Fm** **Eb**  
In the midst of the unclear

**Ab** **Eb** **Bbsus** **Bb/G**  
You were there, you were there always

**Ab** **Eb**  
You were there when obedience

**G/B** **G** **Cm** **Cm/Bb**

Seemed to not make sense

**F/A**

**Ab**

You were there, You were always there

**Bbsus Ebm B F# Bb/D**

You were always there

**Ebm**

**B**

**F#**

So haven't I learned that my ways

**Bb/D**

Aren't as high as Yours are

**Ebm**

**B**

**F#**

And You alone keep the universe

**Bb/D**

From crumbling into dust

**Ebm**

**B**

You are God and though we would

**Bb/D**

Not have understood You

There You were

**Ebm**

**B**

**F#**

Hanging blameless on a cross

**B**

**C#sus**

You would rather die than leave us in the dark

Every moment, every planned coincidence

Just all makes sense

**C#sus C#**

With Your last breath

You were there, You were there

During history's darkest hour

You were there, You were there always

You were the Victor and the King

**B/D#**

**C#/F**

You were the power in David's swing

**C#sus**

You were the calm in Abraham

**B/D#**

**C#/F**

You are the God who understands

**B**

**C#sus**

You are the strength when we have none

**B/D#**

**C#/F**

You are the living, Holy one
