I am the master of the game  
that s made a fool you  
I m watching from the highest tower  
You got the aura to enchant them - and a symphony

**F** **C**  
And I have got the power  
**D**  
You better taste - they call it life: my special area  
**D**  
I m breeding winners over there  
**D**  
Ain t it a sin to turn your back.  
**D** **F**  
on what you re given  
**C** **F**  
It s time to take your share  
**C** **D**  
God left me for dead - I ve been turning my head  
**A#** **F**  
Away from the living - the time has come  
**C** **A#**  
To gamble for gain - To tear down the gate  
**C**  
And see what s inside

**F**  
We rock the ball  
**D#**  
Been smashed to the ground  
**A#**  
Arose from devotion  
**C#** **F**  
To take a look and see what is inside  
**D#** **C#** **G#**  
Sight of the crown: Another angel down

**F**  
We rock the ball  
**D#**

Iâ€™m facing my pain

**C#**

With a rage and a symphony

**F**

Driven by the wounds I cannot hide

**D#**

**C#**

**G#**

Rise above the crowd: another angel down
