

Draconian Love
Avantasia

Intro 2x:

Dm Am G

You shed draconian love
You shed draconian

(**Dm Am G**)(2x)

Am

Welcome to your way

G

Seemingly endless
As I take your wings

Dm

The world through
caelidoscope eyes

F

Untill you unlearn
What you keep inside

Am

Those innocent eyes

G

Refracting the light
For a never-sang song

Dm

Till the cold horizon
Gonna wait its turn

F

Wait its turn no more

Am

Tell me how should I

F

embrace

G

Like roses we ll wither on
the vine

Am

F

Why should I bide my time

G

(**G5 F#5 E5**)

If it flies away sometime

Em

Where are you now?

D

Where are you now?

Am

Leaving me down here
Lost in the waves

Em

Hey, hey, hey

Bm

When will God explain

A

This Draconian love
You shed draconian love
You shed draconian love

Em

Where do I go?

D

Where are you now?

Am

Selling me love
Through fiery rain, Angel

Em **B**

When will you explain this

A

Draconian love
It s all Draconian love
It s all Draconian

Am

Infiltrators with mercy

G

Bait us with sympathy
Lying as we love

Dm

We re lost in the clouds
walking by

F

But some of us rain
Into what they feel

Am

Like a grain of nothing

G

I feel cast to the wind
Of a feeling good breeze

Dm

Of an onward cause
Of an unborn will

F

Whatever that may mean

Am

Tell me how should I

F

embrace

G

Like roses we ll wither on

the vine

Am **F**
Tell me why should I bide my time
G (G5 F#5 E5)
If it flies away sometime
