

Lucifer
Avantasia

[Intro] **Em C D C**

Em
Eternities ago I must have fallen
C
Through my pride being perfect in my ways
D
The morning star they fired down from heaven
C
Oh Envy wrapped into a gown of grace

Em
I hear the screams that echo from the darkness
C
I swerve from dawn to dusk came off the edge
D
Oh hear the creature crying in the distance
Em
Buried in the symbol on a shelf

C D
I ll take you home tonight, to center of your soul
Em
I ll take you home tonight. Fire, flesh and blood
D C D
Touching the flames tonight, touching your flames tonight
Am Em Em
Morning star, embrace me on these grounds, angel of light

(**Em D C D**)
(**Em D C D**)
(**Em D C D**)
(**Em D C D**)

Em C D A G Em
How will I forgive him who wouldn t forgive me who just value the power?
C D G F#m Em
How should I live in peace with the one, outshining me and then have me
devoured?
C D A G Em
I m feeling alive under these skies, Bloodshot s the moon and scarlet s the
night
C D A
I ll make you fume in fury and rage I ll make you see what you made of tonight
C D Em
I ll take you home tonight to center of your soul

C	D	Em
I ll take you home tonight		fire, flesh and blood
C	D	Em
Touching the flames tonight,		touching the flames tonight
C	D	Em
Touching the flames tonight,		touching the flames tonight
