

4 00 Am

Avenged Sevenfold

F **Am** **Bb**
There comes a day when we all find out for ourselves

F **Am**
That once we have the words to say,
Bb

There s no one left to tell

F C/E Eb5 **D5**
I know why you re running away.

D5 all verse

There s a place where nothing seems to be a simple night of easy live

It s all your mind, all your mind

Something little shouldn t feel this way, We got a million thoughts we can t
complain

It s all your life, all your life!

D5 **C5** **Bb5** **Eb5**
It s four in the morning, you got one more chance to die

D5 **C5** **Bb5** **Eb5**
Like beautiful stories the greatest chapters flew right by

F **Am** **Bb**
There comes a day when we all find out for ourselves

F **Am** **Bb**
That once we have the words to say, there s no one left to tell

F C/E Eb5
I know why you re running away.

D5 whole verse

These things don t happen here; another fictional reality

It s all your mind; all your mind!

It s just as good as any other day, I m gonna teach you about mortality

Now it s not right, it s not right!

D5 **C5** **Bb5** **Eb5**
It s four in the morning, you got one more chance to die

D5 **C5** **Bb5** **Eb5**

Bb **F5** **Gm** **F5** **C/E**
In many ways I guess I ll never let you go

Bb **F5** **Gm** **F5** **C/E**

I m close behind but I m a lot more roomier than most

D5 **A5** **D5** **A5** **F** **C** **Dm**
I took my second chance, just enjoy the dance, and found out who we are
F **C** **Dm** **C** **Dm**
Let s find out what we are, never leave asking why.

D5 **C5** **Bb5** **Eb5**
