

## Acid Rain

### Avenged Sevenfold

Intro - **Em G C B C Am G F#m B** x2

**Am** **D**  
Our day has come  
**Am** **D**  
It s drawn in the sky  
**Am** **D**  
So don t shed a tear now  
**Am** **D**  
Be thankful for the time

**B**  
Life wouldn t be so precious dear if there never was an end

**Em** **G** **C** **B** **C**  
Children still play in the garden  
**Am** **G** **F#m** **B**  
Dance as the sun slips away

**Am** **D**  
We stand on the edge now  
**Am** **D**  
We ve come so far  
**Am** **D**  
Through all the dust it becomes clear  
**Am** **D**  
You will always be my heart

**B**  
There s no death, no end of time when I m facing it with you

**Em** **G** **C** **B** **C**  
Children still play in the garden  
**Am** **G** **F#m** **B**  
Dance as the sun slips away  
**Em** **G** **C** **B** **C**  
Not even stars last forever  
**Am** **G** **F#m** **B**  
Cleanse us Acid rain

**Am** **G** **C** **Am**  
Stand near to me  
**D** **B** **F#m** **D**  
Don t look be brave  
**G** **D**  
Over the blackened moon  
**G** **Em**

I ll carry you away

**Am** **G** **C** **Em**

Through the planets we fly
