

Buried Alive  
Avenged Sevenfold

[Verse]

Am C  
Take the time just to listen  
F E  
When the voices screaming are much too loud  
Am C  
Take a look in the distance  
F E  
Try and see it all

Am C  
Chances are that you might find  
F E  
That we share a common discomfort now  
Am C  
I feel I m walking a fine line  
F E  
Tell me only if it s real

Dm                  C                  G  
Still I m on my way  
G  
(On and on it goes)  
Dm                  C                  G E  
Vacant hope to take

[ Chorus ]

Am  
Hey!  
E F E F G  
I can't live in here for another day  
Am E F E  
Darkness has kept the light concealed  
F E G F  
Grim as ever  
Am E F E F G  
Hold on to faith as I dig another grave  
Am E F E  
Meanwhile the mice endure the wheel  
E  
Real as ever  
E Am  
And it seems I've been buried alive!

[Instrumental]

**C F E**

[Verse]

**Am** **C**  
I walk the fields through the fire

**F** **E** **Am**  
Taking steps until I found solid ground

**C**  
Followed dreams, reaching higher

**F** **E**  
Couldn't survive the fall

**Am** **C**  
Much has changed since the last time

**F** **E** **Am**  
And I feel a little less certain now

**C**  
You know I jumped at the first sign

**F** **E**  
Tell me only if it's real

[Bridge]

**Dm** **C** **G**  
Memories seem to fade

**G**  
(On and on it goes)

**Dm** **C** **G E**  
Wash my view away

[Chorus]

**Am**  
Hey!  
**E** **F** **E** **F G**  
I can't live in here for another day

**Am** **E** **F** **E**  
Darkness has kept the light concealed

**F** **E** **G F**  
Grim as ever

**Am** **E** **F** **E** **F G**  
Hold on to faith as I dig another grave

**Am** **E** **F** **E**  
Meanwhile the mice endure the wheel

**F** **E** **G F E**  
Real as ever

**F E G F**

And I m chained like a slave

**E**

Trapped in the dark

**E**

Slammed all the locks

**E**

Death calls my name

**F E G F**

And it seems I ve been buried alive!

[Instrumental]

**Am C Dm G**

**Am C Dm F E G F**

**Am C Dm G**

**Am C Dm F E G F**

**Am F**

**Am F**

**Am F**

**Am F**

**Am Amb G Gb F**

**E x7**

**E G Gb F E**

[Bridge/Chorus]

**E**

Take you down now

**E**

Burn it all out

**E**

Throw you all around

**E G Gb F**

Get your fuckin HANDS OFF ME!

**E**

What s it feel like?

**E**

Took the wrong route

**E**

Watch it fall apart

**E G Gb F E**

Now you re knockin AT THE WRONG GATE!

**Ab Am B**

For you to pay the toll

**Am B C**

A price for you alone

**Ab**            **Am**            **B**  
The only deal you ll find  
**Am**            **B**            **C**  
I ll gladly take your soul

**E**  
While it seems sick  
**E**  
Sober up quick  
**E**            **E**  
Psycho lunatic crushing you with  
**G**            **Gb F**  
HANDS OF FATE!

**E**  
Shame to find out  
**E**  
When it s too late  
**E**  
But you re all the same  
**E**            **G**            **Gb F E**  
Trapped inside INFERNO AWAITS!

**Ab**            **Am**            **B**  
Evil thoughts can hide  
**Am**            **B**            **B**  
I ll help release the mind  
**Ab**            **Am**            **B**  
I ll peel away the skin  
**Am**            **B**            **C**  
Release the dark within

**E**    **G**   **Gb**   **G**            **E**  
This is now your life  
**E**            **G**   **Gb**   **G**   **E**  
Strike you from the light  
**E**    **G**   **Gb**   **G**            **E**  
This is now your life  
**E**    **G** **Gb**   **G** **E**  
Die, buried alive
