

Dear God
Avenged Sevenfold

[Intro]

C-G-Am-Em-F-C-G x2

[Verse]

C G Am Em
A lonely road, crossed another cold state line

Miles away from those I love purpose hard to find

While I recall all the words you spoke to me

Can't help but wish that I was there
G
Back where I'd love to be, oh yeah

[Chorus]

C G Am G
Dear God the only thing I ask of you is
F C
to hold her when I'm not around,
G
when I'm much too far away
C G Am G
We all need that person who can be true to you
F C
But I left her when I found her
G
And now I wish I'd stayed
F G
'Cause I'm lonely and I'm tired
Em Am G F
I'm missing you again oh no

Once again

 when hope begins to fade...

 Miles away from those I love purpose hard to find
