

Missing In Action
Avenged Sevenfold

=Fixed=

Dm **Bb** **C**
Staring at the carnage, praying that the sun would never rise.
F **C** **Dm**
Living another day in disguise.
Bb **C** **F** **C** **Dm** **Bb**
C
These feelings can t be right, lend me your courage to stand up and fight, on
tonight.
F C
Dm Bb C F
Oooooo...
C **Dm**
Stand up and fight

Dm Bb C...
Dm Bb C F C...

Dm **Dm Bb**
The fighting rages on and on,
C F C
to challenge me you must be strong.
Dm **Dm Bb**
I walk your land but don t belong,
C F C
two million soldiers can t be wrong

C Dm
It s no fun but I ve been here before
C Dm
I m far from home and I m fighting your war.
Bb **F** **Am** **Bb**
(Not the way I pictured this, I wanted better things)
(the same)
Some are scared others killing for fun, I shot a mother right in front of her
son.
(Take this from my consciousness, and please erase my dreams)

Dm **Bb**
Fight for honor, fight for your life
C **F**
Pray to God that our side is right.
G **Am** **Bb**
Even though we won, I still may lose
C

Until I make it home to you

(the same)

I see our mothers filled with tears,
grew up so fast where did those years go?
Memories won't let you cry,
unless I don't return tonight

Dm Bb C...

Dm Bb C F C...

C Dm

So many soldiers on the other side,

C Dm

I take their lives so they can't take mine.

Bb

F

Am

Bb

(Scared to make it out alive now murder's all I know.)

(the same)

Nobody tells me all the reasons we're here.

I have my weapons so there's nothing to fear.

(Another day, another life, but nothing real to show for)

Fight for honor, fight for your life
Pray to god that our side is right
Even though we won, I still may lose
Until I make it home to you
I see our mothers filled with tears,
grew up so fast where did those years go?
Memories won't let you cry,
unless I don't return tonight

Dm

Bb

C

Staring at the carnage, praying that the sun would never rise.

F

C

Dm

Living another day in disguise.

Bb

C

F

C

Dm

These feelings can't be right, lend me your courage to stand up and fight.

Dm...

Watching the death toll rise wondering how I'm alive.

Bb...

Stranger's blood on my hands, I've shot all I can

Dm...

There are no silent nights, watching your brothers all die

Bb

To destroy all their plans with no thought of me

Dm C

F A

Dm

No thought of me, no thought of me

Dm Bb C F G Am Bb C

Ohhhhh...

Dm

Walk the city lonely

Bb **C**
Memories that haunt are passing by

F **C** **Dm**
A murderer walks your streets tonight

Bb **C** **F** **C**
Forgive me for my crimes; don't forget that I

Bb
was so young

Dm
Fought so scared

Bb
in the name of God

C
and Country

Dm Bb C F C
