

Cant I Know
Avi Buffalo

C
can t i know what we ve been through
G# F# B G# C# F#
i won t stay up, tolex fountain domes
C G#
take my leg i don t need it lost it in war
Em A D G A C
stay here til you re stoned, and you re alone
G#
i can t tell what you re feeling all the time
F# B G# C# F# C
good is better still, take no mind from
G#
people who don t understand
Em A D G A Em
long as you feel safe, and you re okay
A Em A
I knew too much, though I m trusting you too much
F#m G Bm F#m G Bm F#m G Bm F#m G Bm
though i m making this work, though i m making this work
C G#
would i speak your language if i lived
F# B G# C# F#
with you, not as if i don t
C G#
making fire without this could slow me down
Em A D G A
you once took their souls, and left alone
C G#
with nothing that i thought could hold you down
F# B G# C# F# C
something bout your songs, that your soft pink
G#
lightning took my virgin eyes
Em A D G A
from my soft felt c**
