CHORDS FOR VERSES:

VERSE 1:

```
  G                               D  
what s another time to say  
  Am                               G  
witches speak in my head all day  
  Bm  
witchcraft seems to unload and say  
  Am  
you don t love me anymore  
  G                               D  
what s another word to scream  
  Am                               G  
maybe one more about the team  
  Bm  
try to improve the local scene  
  Am  
we ain t no good anymore
```
