Brought it so high		A x
<b>Am</b>	<b>D</b>	E x
Brought me so high		

Spent too much time in there  
Don t know just what you saw  
So many pills to take  
Unless it s your day

They think I ll love again  
Or I already have  
The seasons make their turns  
But we make our own rules

Solo **C** **Am** **D**

(Whistle)

How could you take that shit?  
Thought you were sick of it  
She ll make her rounds  
Crush me with sound
