

Acid Rain
Aviators

[Intro]

E G D A

[Verse 1]

E

Hello, don't be shy

G

I'll take you to the sky

D

We'll fly away

D

A

To better days ahead

E

Hello, take my hand

G

There's poison in the sand

D

Don't worry I

D

Can purify

A

What's dead

[Chorus]

E

G

I can't let you slip away

D

The world's in disarray

A

No one should have to stay

E

G

I will take away the pain

D

When only I remain

A

To feel the acid rain

[Interlude]

E G D A

[Verse 2]

E

Hello, I'm the wind

G

Guiding as you ascend

D

So far away

D

A

From better days ahead

E

Hello, I m the one

G

The night sky and the sun

D

I breathe this air

D

A

In rivers running red

[Chorus]

E

G

I can t let you slip away

D

The world s in disarray

A

No one should have to stay

E

G

I will take away the pain

D

When only I remain

A

To feel the acid rain

[Bridge]

E

G

I ll take you away

D

A

To somewhere that the skies aren t quite so gray

E

G

I ll be your escape

D

A

The stars that lie above us will embrace

[Chorus]

E

G

I can t let you slip away

D

The world s in disarray

A

No one should have to stay

E

G

I will take away the pain

D

When only I remain

A

To feel the acid rain
