

Apocalypse State Of Mind
Aviators

[Intro]

Dm C Bb A

Dm C Bb A

{Verse 1}

Dm C
Where can I bury all of my suffering

Bb A
Casualties of poison and pride

Dm C
Where is the line between losing everything

Bb A
And giving it all to say that you ve tried

[Chorus]

Bb C
When I dared to dream of something greater

A Dm
I flew away into the sky

Dm C
Nothing s going to fill the space between you and I

Bb C
And I felt the world grow so much colder

A Dm
As we drifted away over time

Bb Dm C
Living in the past in our apocalypse state of mind

[Interlude]

Dm C Bb A

[Verse 2]

Dm C
Where can I find some kind of a remedy

Bb A
A cure for my pain, a rest for my eyes

Dm C
Where can I pray, when nothing means anything

Bb A
In some kind of cage no God could devise

[Chorus]

Bb C
When I dared to dream of something greater

A **Dm**
I flew away into the sky
Bb **Dm** **C**
Nothing s going to fill the space between you and I
Bb **C**
And I felt the world grow so much colder
A **Dm**
As we drifted away over time
Bb **Dm** **C**
Living in the past in our apocalypse state of mind

[Interlude]

Dm C Bb A

[Bridge]

Dm **C**
Now can you hear the sounds of a melody
Bb **A**
Playing a tune, to soften our hearts
Dm **C**
We can move on past all of the memories
Bb **A**
The lapses in faith, that time will impart

Dm **C**
Take me to places beyond our biosphere
Bb **A**
Into the unknown, where we could reside
Dm **C**
Find me in winter when all the paths are clear
Bb **A**
In cities of ash, we re healing in time

[Chorus]

Bb **C**
When I dared to dream of something greater
A **Dm**
I flew away into the sky
Bb **Dm** **C**
Nothing s going to fill the space between you and I
Bb **C**
When I dared to dream of something greater
A **Dm**
I flew away into the sky
Bb **Dm** **C**
Nothing s going to fill the space between you and I
Bb **C**

And I felt the world grow so much colder
