

Avicii vs Nicky Romero - I Could Be The One  
Avicii

[Intro] **F#m**

**F#m**                    **A**                    **D**  
 Do you think about me when you re all alone?  
**Bm**                    **C#m**                    **D**  
 The things we used to do, we used to be  
**F#m**                    **A**                    **D**  
 I could be the one to make you feel that way  
**Bm**                    **C#m**                    **D**  
 I could be the one to set you free

**F#m**                    **A**                    **D**  
 Do you think about me when the crowd is gone?  
**Bm**                    **C#m**                    **D**  
 It used to be so easy, you and me  
**F#m**                    **A**                    **D**  
 I could be the one to make you feel that way  
**Bm**                    **C#m**                    **D**  
 I could be the one to set you free
