Do you think about me when the crowd is gone? It used to be so easy, you and me
I could
be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way I could be the one to set you free
I could
be the one to make you feel that way I could be the one to set you free

When you need a way to beat the pressure down When you need to find a way to
breathe I
could be the one to make you feel that way I could be the one to set you free

If you never see me when the crowd is gone It used to be so easy, can t you see?
I could
be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way
