

Ten More Days
Avicii

[Intro] **Am D F**

Am **D**
Ten more days under water
F
And I already know
Am
I ll be fine

Am **D**
Ten more days till it s over
F
Till the darkness goes
Am
And I see the light

Am
I m torn between
D
Fulfilling my wildest dreams
F **Am**
To satisfy the beast inside of me

Am
And a grounded love
D
That raises me high above
F **Am**
The grabbing hands of cowards and of thieves

Am
Ten more days to find my way
D
Ten more days till I m awake
F **F**
Ten more days till I don t have to fight

Am
I don t need a future king
D
There ain t a prayer that I could sing
F **Am**
Ten more days and I m gonna make it right
